Iranian National Regulations Port State Control Review Panel

Article 12 – Review Panel

12.1 After completing the inspection and submitting a copy of the reports to the Master, the PSCO should inform the Master of the right to complain about the inspection results in case of observing deficiencies or detention of the vessel, and provide the contact information of the relevant authority, mentioned on Inspection Form A.

12.2 The Organization should acknowledge the receipt of a complaint about PSC inspection results to the sender, convene a review panel to consider the inspection reports and complaints, and inform the sender within 30 working days of the decision(s) of the panel.

12.3 The review panel should be composed of relevant officials of the Organization, including the Director General of Search and Rescue and Marine Environment Protection¹ (as the Chairman), Head of Port State Control Department² (as the Vice-Chairman and member), the PSC Expert in Charge of the Organization Headquarters (as the Secretary), and two PSC Experts in Charge from PSC offices in Iranian ports, selected per case.

12.4 After considering the inspection report, complaint(s), explanations provided by the inspecting officer in person, and other pertinent evidence, the review panel may confirm or reject the inspection results, or change some decisions made in regard to the vessel.

Note I: The review panel may seek technical advice from other relevant departments of the Organization or classification societies, except the one related to the vessel concerned.

Note II: The PSCO responsible for the inspection being considered may only attend the review panel meeting in order to defend or explain about the inspection report.
